SELLER DESCRIPTION

Here's a beautiful, low mileage Audi TT that has never seen a winter - brought it up with me from Florida last year and kept it in the garage during the bad weather. Everything works - power windows, mirrors, A/C, whatever. It's a very nice car to drive and a definite find for the VW/Audi fans out there. Here's all the work that was done:- new timing belt and water pump- new shocks / struts (KYB Excell Series) all around- new brakes - ECS Tuning drilled/slotted rotors with RedStuff pads- new tires...
