### SELLER DESCRIPTION

Rust in passenger cab corner. Scratches in the bed. Minor chips and scratches on sides and passenger door. Small Coolant leak in corner of intake. I am told this is common. Truck is fully driveable but will need a gasket before too long. Good truck runs great with very little problems the only issues are if you don't drive it every few days the battery will go dead and it sounds like it's going to die if you are trying to go slow like just above idle and after 3 different mechanics that's just the...
